Date Released: March 8, 2017

To: All Fresno Regional Workforce Development Board Providers of Services

From: Blake Konczal, Executive Director

Effective Date: February 1, 2017

Subject: Slingshot Manufacturing Mechanic Training Project

Applicable Program: Slingshot

Revision History: Initial Release

The purpose of this project is to provide Manufacturing Mechanic training services to eligible Adult and Dislocated Worker participants.

All participants will be co-enrolled into WIOA Adult or Dislocated Worker as appropriate

Grant Codes to be Used:

1026 for training activities and 201 for WIOA Adult and 501 Dislocated Worker for all co-enrollment services

Enrollments:

- The grant provides funds for, Vocational Skills Training for ITA and non-ITA contracted training services using the 1026 grant code. All additional services, such as case management and/or supportive services, not funded by Slingshot will have to be provided through a co-enrollment into 201/501.
- Use service code 200 for enrollment into grant 1026.
- Use service code 300 for all training listed on the ETPL and 328 non-ITA contracted training services.

Fresno County Process Changes for this Project:

- Job Track is waived,
- PESCO Assessment is waived,
- SRT not required, special Orientation conducted,
- Scholarship Panel and School Visit processes are waived,
- 5 Panel Drug Test to be completed prior to enrollment.

All other processes must be followed as outlined in local Policies and Operational Directives.

I-Train Customer Pools

- ITA pools will be created for grant 1026 for training provided through approved training vendors listed on the ETPL
- For the contracted training services, pools will be created on I-Train with zero amounts (dollars) to facilitate the ITA process-

All other processes and flow elements remain in effect.
