**Date Released: January 30, 2014**

**To: All Fresno Regional Workforce Investment Board Providers of Services**

**From: Blake Konczal, Executive Director**

**Effective Date: January 30, 2014**

**Subject: High School Status – WIA Application**

**Applicable Program: In-School, Younger Youth**

**Revision History: Initial Release**

This Information Bulletin documents new requirements due to a change in the WIA application where the field titled "High School Status" has been added.

The new field High School Status allows for input of a "1" (attending), "2" (graduated), or "3" (dropped out) and is required for active youth enrolled in high school.

If the youth's high school status changes at any time in their WIA enrollment, this field is required to be updated once the status has changed.

Please contact the FRWIB Youth Program Manager if you have any questions.
