## **Information Bulletin**

**FRWIB IB # 01-16**

**Date Released: February 3, 2016**

**To: All Fresno Regional Workforce Investment Board Providers of Services**

**From: Blake Konczal, Executive Director**

**Effective Date: February 3, 2016**

**Subject: Activity Code 125**

**Applicable Program: Adult, Dislocated Worker**

**Revision History: Initial Release**

This Information Bulletin (IB) references Operational Directive (OD) 12-15, WIOA Adult Customer Flow and OD 36-06, Adult Activity Codes; IB 06-14, CalJOBS Requirements – Case Management.

Activity Code 125, Job Search/Placement Asst., including Career Counseling, is not to be used as a “Case Management” code under WIOA.

Under WIOA, Core B no longer exists. All services are career related (either Basic Career Services or Individualized Career Services).

As stated in IB 06-14, a “case management” activity code must be open until such time the participant no longer requires case management (however, it must be renewed every 90 days).

The only Case Management activity code for this purpose is 220. It is to be initially opened when the participant moves to Individualized Career Services.

If there are any questions, please contact the FRWIB Program Manager.
