**From: Blake Konczal, Executive Director**

**Effective Date: June 25, 2014**

**Subject: Career Ladders Alternative**

**Applicable Program: All**

**Revision History: Initial Release**

The purpose of this Information Bulletin is to communicate an alternative to the use of the Fresno Regional Workforce Investment Board (FRWIB) mandated Career Ladders pamphlets.

On June 12, 2014, OD 25-08, Career Ladders, was made obsolete.

The use of Career Ladders as a career exploration tool was mandated in several Operational Directives.

These Operational Directives will be updated for career exploration as they come due for other revisions.
