OPERATIONAL DIRECTIVE

FRWDB OD # 27-09, Revision E

Date Released: July 27, 2017

To: All Fresno Regional Workforce Development Board Providers of Services

From: Blake Konczal, Executive Director

Effective Date: July 27, 2017

Subject: Waiver Request Process

Applicable Program: All

Revision History: Initial Release – 7/30/09; Rev B - 12/18/09; Rev C - 8/1/13; Rev D - 4/22/14

This Revision E removes the OSCC approval as it is not required under WIOA and updates terminology.

Providers of services are to implement this process and updated form effective immediately. Any waiver requests submitted on an older form will be returned to the requestor. All waiver requests are to be submitted by e-mail, to: waiverrequests@workforce-connection.com.

This OD defines the process to be followed when any provider of services has identified a need to deviate from an approved process, and/or form. The only reasons to request a waiver are:

- When following the process would result in a participant's needs not being met, and/or
- It would be a benefit to the Fresno County One-Stop System or All Youth One System to do so.

Providers of services must complete a Request for Waiver form each time a provider determines that a need exists.

The Request for Waiver must be approved PRIOR to any deviation from established FRWDB process. Failure to follow this process could lead to a formal corrective action and/or potential disallowed costs.

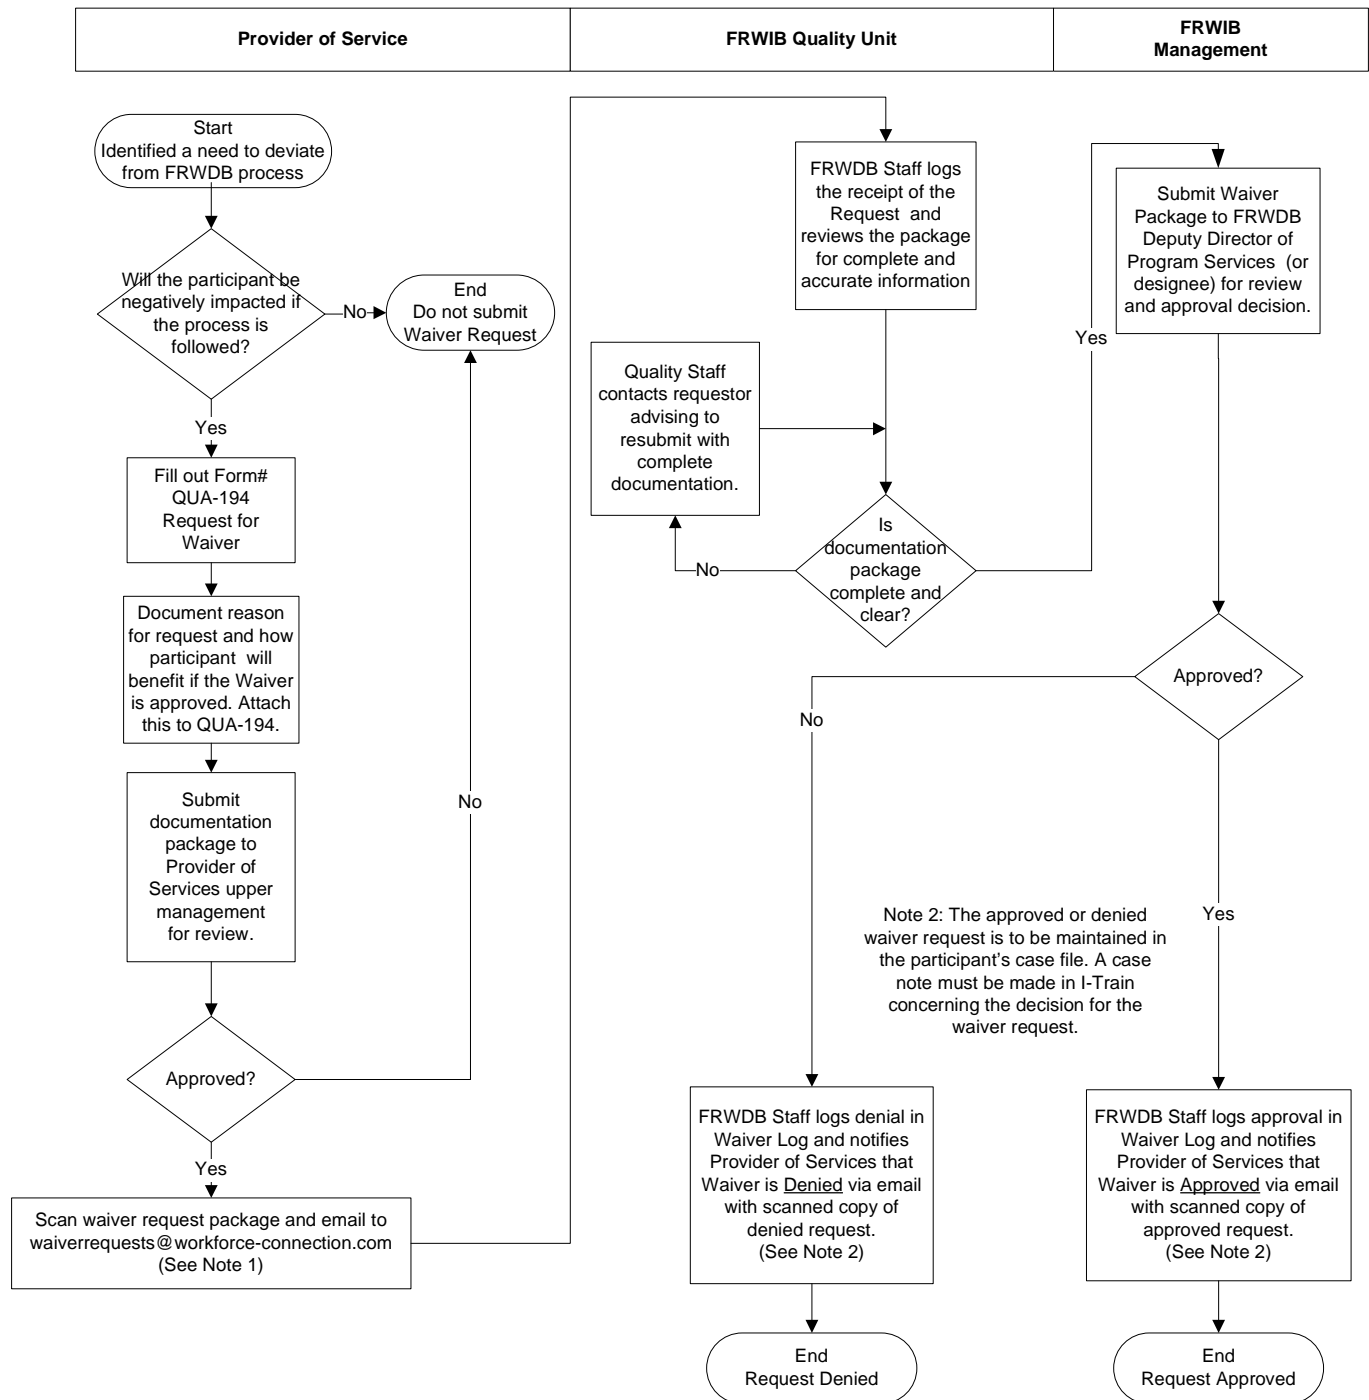

FRWDB staff strives to communicate a waiver request decision within 5 business days of receipt of a complete waiver request package.

The need for a Waiver must be documented in the participant's case notes. A copy of the approved waiver or the denied waiver must be maintained in the participant's case file.

If there are any questions, contact the FRWDB Quality Systems Manager.
