Information Bulletin

FRWDB IB # 01-18

Date Released: January 12, 2018

To: All Fresno Regional Workforce Development Board Providers of Services

From: Blake Konczal, Executive Director

Effective Date: January 12, 2018

Subject: School Status

Applicable Program: Youth

Revision History: Initial Release

This Information Bulletin references OD 03-16, Youth service Codes.

There is a new field on the I-Train activity screen (Enrollment form) entitled "Sch Stat". This field documents the school status at completion of each activity.

This is a field in the Activity Completion tab on CalJOBS and is used to see when a youth school status changes from what it was at participation.

This field is for Youth only. If an attempt is made to input a value for a non-youth participant, staff will get an error. The value that is input is a number that corresponds with the school status as shown in the School Status on Last Day of Service box in the description section of the enrollment screen. Specifically, the descriptions are in the box labeled School Status on Last Day of Activity.

If any questions, please contact the FRWDB Deputy Director of Information Systems.
