OPERATIONAL DIRECTIVE

FRWDB OD # 30-18

Date Released: September 28, 2018

To: All Fresno Regional Workforce Development Board Providers of Services

From: Blake Konczal, Executive Director

Effective Date: January 1, 2018

Subject: 2018 Salary and Bonus Limitations

Applicable Program: All

Revision History: Initial Release

This Operational Directive (OD) supersedes OD 08-17, 2017 Salary and Bonus Limitation.

Employment Development Department (EDD) Directive WSD 18-07 dated September 28, 2018, released the Salary and Bonus Limitations for 2018.

Effective January 1, 2018, the salary and bonus limit is set at **\$189,600** until otherwise advised.

The limitation applies to salaries and bonuses only. It does not apply to fringe benefits.

In the case where a person is allocated to the WIOA contract less than 100%, the limit will be prorated based on the allocation used for that person. For example, if a person has an annual gross salary, as reported on the person's W-2, of \$189,600 and is allocated to the WIOA Contract for 5% of the time, then the maximum salary and bonus charged to the contract cannot exceed \$9,480.

The allowable limits are subject to change and are updated annually.

Please notify all affected staff of the revised limits.
