**FROM:** Blake Konczal, Executive Director

SUBJECT: Workforce Innovation and Opportunity Act Youth Funding Recommendations for Program

Year 2020-2021

#### **RECOMMENDATION:**

Recommend that the Fresno Regional Workforce Development Board (FRWDB) approve Workforce Innovation and Opportunity Act (WIOA) Youth funding allocations for Program Year (PY) 2020-2021 as outlined in the attached budget allocation worksheet (Attachment I).

#### **REASON FOR RECOMMENDATION:**

The Employment Development Department (EDD), Workforce Services Division, released WIOA formula allocations for PY 2020-2021 on May 14, 2020 (Attachment II). These allocations are based on the allotment levels issued by the U.S. Department of Labor, Employment and Training Administration to the states on April 23, 2020.

The FRWDB received \$7,134,064 of WIOA Youth funds for PY 2020-2021, a 16.39% increase compared to last year's allocation of \$6,129,237. The estimated carryover is \$1,591,983, which is a 24.25% decrease from PY 2019-2020; this brings the total available funding to \$8,726,047.

The WIOA regulations implemented on July 1, 2015, mandates that 20% of the total funds available for youth be reserved for Work Experience (WEX) opportunities, which is reflected in the recommended allocations.

FRWDB staff recommends that the Youth Council approve the proposed budget allocations as outlined in Attachment I. Approval of the recommended funding allocations will result in the following:

- Increase the current three percent (3%) set aside for carryover to five percent (5%) carryover for PY 2021-2022;
- Maintain the current PY 2020-2021 WEX Pool for WIOA mandated 20% for WEX funding;
- Decrease the prior plan year WEX reserve for PY 2019-2020 by \$1,681 based on current estimated expenditures of the mandated WEX funds;
- Increase Youth sub-contractors by five percent (5%);
- Maintain the Vocational Training pool;

- Decrease \$35,000 (70%) funding for the Fresno County Public Defender's office for the Clean Slate program. This program assists job seekers in filing legal documents to assist them in addressing legal barriers to employment, i.e., criminal record expungements and back child support payments;
- Maintain Supportive Services pool;
- Maintain Participant Workshop pool;
- Maintain \$50,000 for Soft Skills Training pool;
- Maintain \$50,000 for community outreach; and
- Maintain facility site budgets for Provider staff training such as Active Shooter, Customer Center Design, and for marketing, furniture and equipment update.

#### **FISCAL IMPACT:**

Approval of this item will allocate \$8,726,047 of WIOA Youth funds, which will be allocated to FRWDB operational, sub-contracts and participant pools. The \$356,703 will be allocated to carryover for PY 2021-2022.

#### INFORMATION NOTICE

**Date:** May 14, 2020 **Number:** WSIN19-45 **Expiration Date:** 05/15/2022

#### **WIOA FORMULA ALLOCATIONS - PY 20-21**

The Workforce Innovation and Opportunity Act (WIOA) Title I formula fund allocations for each Local Workforce Development Area (Local Area), for Program Year (PY) 2020-21, have been released. These allocations (Adult, Youth, and Dislocated Worker (DW)) are based on the allotments issued by the U.S. Department of Labor (DOL), to the states per <u>Training and Employment Guidance Letter 16-19</u>, dated April 23, 2020.

The WIOA prescribes a specific method to calculate sub-state hold harmless levels for DW Program funds. As a result, there is an alignment in the WIOA hold harmless provisions across the Youth, Adult, and DW programs. These hold harmless provisions were established to help mitigate year-to-year volatility in funding levels. Under the WIOA, hold harmless provisions ensure that each area receives no less than 90 percent of their average percentage share from the two prior years. The local areas that receive more than 100 percent of their average percentage share from the previous two years will be proportionately reduced by the amount of total funding necessary to ensure that all local areas receive at least 90 percent of their average percentage share from the two prior years.

Please be aware that this notice is being issued for planning and budgeting purposes only because the state has not yet received the federal Notice of Award (NOA) for any of the funding streams. Once the NOA has been received, Youth allocations will be released to Local Areas immediately. Youth allotments to the states will be issued in one sum with an effective date of April 1, 2020, under the grant code 301. The Adult and DW allocations will be released as soon as we receive federal and state spending authority for these funds.

The allotment to California and the amounts available for the formula allocation to the local areas are listed below. Attachment 1 reflects the total amount local areas will receive for each of the funding streams during the PY 20-21. Additionally, Attachment 2 provides a breakdown of how each of the three funding streams are allocated.

The EDD is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.

**SUBJECT:** Year-Round Youth Offender Services Request for Proposals Award Recommendation

#### **RECOMMENDATION:**

Recommend that the Fresno Regional Workforce Development Board (FRWDB) approve a sole-source contract to Arbor E&T, LLC d/b/a ResCare Workforce Services to provide year-round youth offender services.

#### **REASON FOR RECOMMENDATION:**

FRWDB staff released a Request for Proposals (RFP) for Year-Round Youth Offender Services on February 6, 2020, with a proposal submission deadline of 3:00 p.m. on March 6, 2020. As outlined in the RFP, in order to be deemed a competitive procurement, at least three (3) responsive proposals for the same scope of services must be received by the RFP deadline. There were two (2) proposals received (Arbor E&T, LLC d/b/a ResCare Workforce Services and Fresno Economic Opportunities Commission) by the March 6, 2020, deadline; therefore, the solicitation was deemed a failed competition.

FRWDB staff conducted Phase I of the rating process. Both proposals met all of the minimum requirements of the RFP and were forwarded to the rating team for the Phase II evaluation.

The Phase II rating team met on March 19, 2020, to review and rate the proposals. FRWDB staff facilitated the meeting and provided technical assistance to the rating team. Both proposals received scores that exceeded the minimum 70 points required to be considered for contract award. Arbor E&T, LLC d/b/a ResCare Workforce Services received a total score of 98.7 and the Fresno Economic Opportunities Commission received a total score of 87.7. Based on the rating scores, the rating team is recommending a sole-source contract be awarded to Arbor E&T, LLC d/b/a ResCare Workforce Services to begin services July 1, 2020, with an option to award an additional four (4) annual renewals based on available funding and a review of the previous year's performance.

The rating summary with a break out of the points awarded to each of the bidders has been attached for your review. A copy was posted to the FRWDB website on March 20, 2020.

#### **FISCAL IMPACT:**

FRWDB approval of this item will allocate a maximum of \$327,000 of Workforce Innovation and Opportunity Act Youth Funds for Program Year 2020-2021.

Third Quarter Workforce Innovation and Opportunity Act Youth Participant Work Experience

Report for Program Year 2019-2020

#### **RECOMMENDATION:**

Recommend that the Fresno Regional Workforce Development Board (FRWDB) accept the Third Quarter Workforce Innovation and Opportunity Act (WIOA) Youth Participant Work Experience Report for Program Year (PY) 2019-2020.

#### **REASON FOR RECOMMENDATION:**

The WIOA places a priority on providing youth with occupational learning opportunities through work experience. These work experiences include: paid work experience, pre-apprenticeship programs, job shadowing, and on-the-job training activities. Beginning July 1, 2015, local boards were required to begin implementing new Work Experience requirements, which included a mandated minimum expenditure requirement of 20%.

The WIOA formula funding has a two (2) year life cycle, and local areas are mandated to fully expend the required Work Experience funding by June 30th of the last program year, e.g., Work Experience funds allocated in PY 2017-2018 were required to be fully expended by June 30, 2019. The total Work Experience allocation for PY 2018-2019 was \$997,704.54. Final total expenditures as of December 31, 2019, were 997,704.54. This was 20% of the total allocation and met the mandated expenditure requirement.

Total allocations for PY 2019-2020 is \$1,106,526, which must be expended by June 30, 2021. The following table provides work experience allocations and year-to-date expenditures by provider through March 31, 2020.

Work Experience Expenditure Report							
Provider	Total Available Funds	YTD Expenditures	Percent of Total Expended Funds				
FCEOC	\$342,935	\$171,856.80	50%				
ResCare	\$444,431	\$271,704.10	61%				
Proteus, Inc.	\$192,047	\$66,693.03	35%				
WHCCD	\$127,113	\$35,191.23	28%				
Total	\$1,106,526	\$545,445.16	49%				

Staff has no concerns expending the total allocation by the June 30, 2021, deadline.

Third Quarter Young Adult Satisfaction Report for Program Year 2019-2020

#### **RECOMMENDATION:**

Recommend that the Fresno Regional Workforce Development Board (FRWDB) accept the Third Quarter Youth Program Satisfaction Report for Program Year (PY) 2019-2020.

#### **REASON FOR RECOMMENDATION:**

The FRWDB Joint Powers Agreement states, in part, that FRWDB staff shall fulfill administrative responsibilities as set forth in the Workforce Innovation and Opportunity Act (WIOA), including the administering of programs as described in the WIOA, as well as developing budgets plans. Additional administrative responsibilities shall include assessing the performance and evaluating the benefit, productivity, and impact of all programs funded under the WIOA, as amended or superseded, and submitting progress reports.

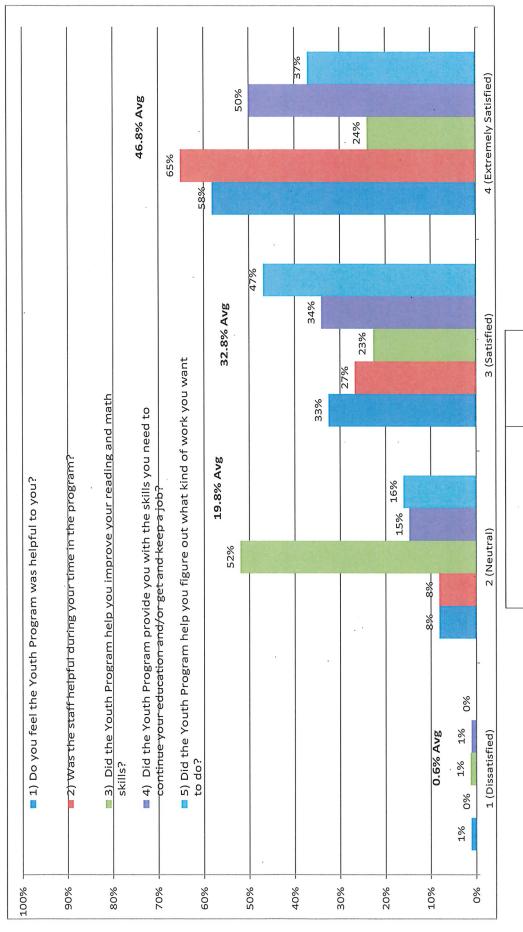

As part of this responsibility, FRWDB staff has implemented the Youth Program Satisfaction process and data collection system. The FRWDB's sub-contracted providers of services submit their data to staff on a monthly basis. The data is aggregated, analyzed and reviewed on a quarterly basis and reported to this Council.

FRWDB staff work with service providers to improve the processes used to increase the satisfaction level with our youth and young adult participants. These improvements are based on data collected through these satisfaction surveys, monitoring reviews, complaints and monthly operations meetings between providers and FRWDB staff.
