

Workforce Connection Customers:

The safety and well-being of Workforce Connection customers and staff is our top priority. The Fresno Regional Workforce Development Board is working closely with State, City, and County agencies to monitor the COVID-19, otherwise known as the Coronavirus, situation.

In accordance with California Governor Gavin Newsom's "stay-at-home" order, effective immediately and until further notice, Workforce Connection locations in Reedley, Selma, Coalinga and Mendota are closed.

Because we are considered an "essential service" the Workforce Connection Manchester Center location will conduct Career Counseling services telephonically, via email, or other technologies. Resource Room services must be scheduled by appointment only.

New hours of operation at the Workforce Connection Manchester Center Resource Room *only* are:

- **Monday – Friday: 8am to 5pm**

To schedule an appointment at this location please call (559) 230-4092

To protect the health and safety of all customers and staff, we are encouraging anyone who is experiencing cold, flu symptoms, fever or cough, or who is otherwise not feeling well to remain at home.

If you are currently working directly with staff and are not comfortable coming into the Workforce Connection office, you may request to have any required appointments by e-mail or phone.

We will continue to closely monitor the situation and will follow the recommendations of the State, City, and County of Fresno. We will send e-mail updates to you as new information becomes available.

If you have any questions or concerns, please contact any Workforce Connection staff member.
