Item	Description/Action Taken
------	--------------------------

1. **April 21, 2021, Executive Committee Meeting Minutes**

Blake Konczal, Executive Director, Fresno Regional Workforce Development Board (FRWDB), requested approval of the April 21, 2021, Executive Committee (Committee) meeting minutes.

SILVEIRA/MONTALBANO – APPROVED THE APRIL 21, 2021, EXECUTIVE COMMITTEE MEETING MINUTES. (UNANIMOUS)

2. **Items Referred by Other Committees**

There were no items referred by other committees.

3. **Fresno Regional Workforce Development Board One-Stop Operator Application**

Mr. Konczal presented for approval an application for the FRWDB to act as its own One-Stop Operator. He explained that all Local Workforce Development Boards must select their America's Job Centers of California (AJCC) Operator through a competitive process at least once every four (4) years. The FRWDB released a procurement for AJCC Operator in February, but no proposals were received by the submission deadline. The Workforce Innovation and

Opportunity Act allows Local Boards to act as the AJCC Operator with the approval of the state. He explained that the FRWDB has a strict firewall in place that would allow the FRWDB to act as the Fresno area's AJCC Operator. Director Silveira asked about the firewall and Mr. Konczal explained that the contractors who provide client services for the Fresno area are not direct employees of the FRWDB. This is the firewall that would allow the FRWDB to act as AJCC Operator.

Director Montalbano asked will this application process for the FRWDB to be the AJCC Operator have to be repeated every four (4) years. Phyllis Stogbauer, Senior Deputy Director, FRWDB, indicated that there would be a recertification process, but she was not aware of the timeline for that.

SILVEIRA/MONTALBANO – APPROVED THE FRESNO REGIONAL WORKFORCE DEVELOPMENT BOARD ONE-STOP OPERATOR APPLICATION. (UNANIMOUS)

4. Wildfire Grant Award

Ms. Stogbauer presented for the Committee's approval, the funding allocation for the Wildfires National Dislocated Worker Grant in the amount of \$975,000. She explained that this grant was awarded to the FRWDB through the State of California, Employment Development Department and was specifically to provide Work Experience opportunities for individuals affected by the Creek Fire. The grant will provide 40 hours of Hazwoper training for 50 participants and paid Work Experience for 75 individuals. The Fresno Economic Opportunities Commission Local Conservation Corps would be the employer of record for the Work Experiences. Funding allocations were outlined in the agenda item.

MONTALBANO/SILVEIRA – APPROVED THE WILDFIRE GRANT AWARD. (UNANIMOUS)

5. High Roads Construction Careers – California Climate Investments Grant Award

Mr. Konczal presented for the Committee's approval, the funding allocation for the High Roads Construction Careers – California Climate Investments grant in the amount of \$1,194,400. He explained that this grant project will build off the current SB1 grant and will expand the ValleyBuild Multi-Craft pre-apprentice construction training program to other areas in the valley through Building Trades Councils and the Mother Lode Workforce Development Board. The agenda item outlined the allocations, which included \$35,000 to Michael Bernick. Director Silveira asked who was Michael Bernick and Mr. Konczal explained that Mr. Bernick is a consultant the FRWDB has contracted with who has a good understanding of the Workforce system and has been extremely helpful to the FRWDB on previous projects.

Chair Hensley asked what is the difference between apprenticeship training and the pre-apprenticeship training. Mr. Konczal explained that construction unions have training programs for apprentices. The pre-apprentice training prepares individuals to apply for the apprenticeship training programs.

SILVEIRA/MONTALBANO – APPROVED THE HIGH ROADS CONSTRUCTION CAREERS – CALIFORNIA CLIMATE INVESTMENTS GRANT AWARD. (UNANIMOUS)

6. May 2021 Financial Report

Cheryl Beierschmitt, Deputy Director Fiscal Services, FRWDB, presented the May 2021 Financial Report for the Committee's acceptance. She reviewed the breakdown of expenditures as presented on the agenda item and indicated that FRWDB staff had no concerns with the expenditures. Mr. Konczal noted that the Fatherhood Fire grant was not a forestry training

program, but was a grant received through the Department of Health and Human Services to assist young fathers in dealing with various issues. He noted that the grant was a highly competitive national grant and that executing the program well could open doors for the FRWDB for other grants in the future. There were no questions from the Committee.

MONTALBANO/SILVEIRA – ACCEPTED THE MAY 2021 FINANCIAL REPORT. (UNANIMOUS)

7. May 2021 Agency Budget and Expenditures Report

Ms. Beierschmitt presented the May 2021 Agency Budget and Expenditures Report for the Committee's acceptance. She indicated that staffing costs were running lower than anticipated due to some staff vacancies that were currently in the process of being filled. She stated that staff had no concerns with the report. The Committee had no questions.

SILVEIRA/MONTALBANO – ACCEPTED THE MAY 2021 AGENCY BUDGET AND EXPENDITURES REPORT. (UNANIMOUS)

8. Program Year 2021-2022 Agency Budget and Personnel Plan

Mr. Konczal presented for the Committee's recommendation to the FRWDB, the Agency Budget and Personnel Plan for Program Year 2021-2022, which combines estimated carryover amounts from the previous Program Year with the formula funding that the FRWDB received from the State. He indicated that, overall, there would be an increase of funding in the amount of \$362,000 and that the funding breakdown was as follows: \$15.8 million from formula funding, approximately \$10 million in estimated carryover, and \$9.07 million in grant funding. He reviewed the minor changes compared to the prior Program Year and the Committee had no questions about the Agency Budget and Personnel Plan.

QUINTERO/BUMATAY – RECOMMENDED THAT THE FRESNO REGIONAL WORKFORCE DEVELOPMENT BOARD APPROVE THE PROGRAM YEAR 2021-2022 AGENCY BUDGET AND PERSONNEL PLAN. (UNANIMOUS).

9. Director's Quarterly Update

Mr. Konczal provided a brief overview of the projects he focused on over the past quarter, April through June 2021, which included: the continued roll out of the SB1 multi-craft pre-apprentice construction training grant; response to questions on a pending Central Valley Forestry Corps application at Cal Fire for the expansion of the Forestry Corps program to Columbia College in Sonora; drafting of earmark requests for the State of California to add a Work Experience component to the Measure C Reauthorization Multi-craft training programs and to expand the Forestry Corps program to community college campuses in Oakhurst and Mono; completed FRWDB staff annual evaluations; hiring and training of new Marketing and Grants Manager for the FRWDB, the award of new Dislocated Worker and Adult Services Provider contracts; continued negotiations and planning for the AJCC move from Manchester to Winepress Center; identification of new One-Stop locations for the east side and west side of Fresno County; continued response to COVID and post-COVID work environment; review and creation of a new unified job title model for FRWDB staff and organizational redesign.

Mr. Konczal indicated that he would share the organizational redesign at the next Executive Committee meeting. Director Montalbano asked if there would be a presentation on the Columbia College expansion for the Forestry Corps program and Mr. Konczal indicated that if the application is successful and the grant is received, then there would be a presentation on that at a future meeting.

Chair Hensley asked about the FRWDB's relationship with the new City of Fresno administration. Mr. Konczal stated that individuals from the new administration had contacted him and that they had a lengthy discussion about what the FRWDB wanted to see in individuals that the City would nominate for FRWDB membership. He added that for three (3) years, the FRWDB has had an offer to the City of Fresno to fund a youth summer internship program at the City of Fresno that had, unfortunately, not been addressed. Mayor Dyer's administration has been interested and active in helping actualize this program. He felt the relationship with the City's new administration was good.

Director Montalbano asked about the projected timeline for the move of the AJCC. Mr. Konczal indicated that the move will take place over a weekend, with no interruption of services, and the target move in date is the first Monday of October, 2021.

SUBJECT: Multi-Craft Core Curriculum Distance Learning Platform Development and Site Support Services Award Recommendation

RECOMMENDATION:

Approve the award of a sole source agreement for Multi-Craft Core Curriculum (MC-3) Distance Learning Platform Development and Site Support Services to Imago.

REASON FOR RECOMMENDATION:

On August 21, 2021, the Fresno Regional Workforce Development Board (FRWDB) released a Request for Proposals (RFP) to provide for the development of a distance learning platform and website support services. This project is in support of the MC-3 pre-apprenticeship regional training program, funded by the High Roads Construction Careers – Reimagining Workforce Preparation Grant. Two (2) proposals were received by the September 24, 2021, due date.

For the procurement to be considered competitive, a minimum of three (3) proposals must be received. As such, this procurement was deemed failed. As outlined in the RFP and the FRWDB Procurement Policy, the FRWDB has the following options: 1) Re-procure the services, 2) take no further action, or 3) award a Sole Source Contract.

On September 29, 2021, a rating panel met to review both proposals; both proposals received more than the minimum 70 points required.

The Rating Panel and FRWDB staff are recommending that a sole source contract be awarded to Imago, who received the highest number of points.

FISCAL IMPACT:

Approval of this item will allocate up to \$ 300,000 for the term of the project: October 2021, through March 2023. The funds are included in the grant that was approved by the FRWDB at its meeting on April 21, 2021.

TO: Executive Committee
FROM: Blake Konczal, Executive Director
SUBJECT: New Location for Fresno County East Side America's Job Centers of California

RECOMMENDATION:

Approve the Fresno Regional Workforce Development Board (FRWDB's) new affiliate America's Job Center of California (AJCC) office at the Parlier Professional Center (13660 East Manning Avenue, Parlier, CA 93648) for the rural east side of Fresno County.

REASON FOR RECOMMENDATION:

In early spring of 2020, the County of Fresno's Department of Social Services (DSS) informed board staff of their intentions to find a new smaller office at the expiration of their lease at the Reedley Shopping Center. DSS plans are to lease a smaller office in Reedley, which would not have provided sufficient space for the FRWDB's Adult and Dislocated Worker programs. DSS's initial targeted move-out timeframe was mid-2021; however, delays in finalizing a lease and seeking approval pushed out their target date to mid-2022. The FRWDB currently subleases approximately 6,500 square feet from DSS. DSS's Reedley office is 27,177 square feet.

In early 2021, the FRWDB began a site search for a new east rural office with plans to co-locate Youth services with the Adult and Dislocated Worker services. Available contiguous office space around 7,500 to 9,000 square feet was limited to the cities of Selma and Parlier. Board staff engaged two (2) owners for potential offices in both the city of Parlier and Selma. The owner of the Selma office removed their building from consideration after receiving an offer to purchase.

FRWDB staff successfully negotiated terms with the owner for the Parlier building in September 2021. A summary of the material lease terms is contained in Attachment I and the space layout in Attachment II. The target completion date for construction is May 2022.

The lease agreement for the new affiliate AJCC office will be between the Fresno Area Workforce Investment Corporation (FAWIC) and L& D Parlier Plaza, LLC and will be presented for the FAWIC's review and approval on October 20, 2021.

SUBJECT: Department of Health and Human Services - Administration for Children and Families
Fatherhood Grant Funding Allocation

RECOMMENDATION:

Approve \$749,999 in award allocations under the Department of Health and Human Services - Administration for Children and Families (HHS) Fatherhood grant for the second-year funding period of September 30, 2021, to September 29, 2022, as outlined below.

REASON FOR RECOMMENDATION:

The FRWDB, in partnership with Equus Workforce Services Inc., Marjaree Mason Center, the Fresno Council on Child Abuse and Midwest Evaluation and Research, was awarded a grant through the HHS on October 6, 2020, in the amount of \$749,999. The project will serve a total of 450 fathers, ages 18 and older, who have children ages 24 and younger and reside in communities with high rates of poverty in Fresno County. The FRWDB will serve 50 in year one (1), and 100 annually in years two (2) through five (5).

The project provides education and services to fathers to address the trauma of growing up in poverty and will re-shape their views of themselves and their relationships, thereby enabling them to be attentive, responsible parents. Resultantly, fathers will gain the skills needed to have healthy relationships with their children, partner/co-parent, work and their community.

FRWDB staff is requesting that the Executive Committee approve funding for year-two allocations.

This grant ends on March 31, 2022, and it is currently 20.10% expended at \$97,632 of the modified grant amount of \$485,849.
- **COVID-19 Employment Recovery National Dislocated Worker Grant (NDWG):** This grant ends on March 31, 2022, and it is 8.34% expended at \$37,525 of the \$450,000. FRWDB staff is working with the State to complete a budget modification to address the under expenditures and to open training to additional occupations.
- **Fatherhood – Health and Human Services:** This grant started September 30, 2020, with an original amount of \$749,999 and a contract term of September 30, 2020 through September 29, 2021, with a possible four (4) year option to renew to 2025. On June 28, 2021, FRWDB received \$749,999 for the second year option from September 30, 2021 through September 29, 2022. As of August 31, 2021, FRWDB had expended 42.14% of the initial first year option, in the amount of \$316,028. SUBJECT: August 2021 Agency Budget and Expenditures

RECOMMENDATION:

Accept the attached Agency Budget and Expenditures report for August 2021 financials for Program Year (PY) 2021-2022.

REASON FOR RECOMMENDATION:

The attached table provides the status of the agency budget as of August 31, 2021.

- Year-to-Date (YTD) budget costs are straight-lined.
- Memberships' YTD budget line item expenditures are running higher than the straight-lined YTD budget costs due to the annual California Workforce Association PY 2021-2022 membership costs paid in August 2021.

Staff has no concerns with expenditures at this time.
