To Whom It May Concern:

The mission of the Fresno Regional Workforce Development Board (FRWDB) is to oversee the optimal administration of Workforce Innovation and Opportunity Act (WIOA) funds in Fresno County. In serving both the business community and the individual job seeker with the provision of human capital development services, we hope to foster the economic vitality of the Fresno region.

It is my understanding that Merced County Workforce Development Board has recently released a solicitation for proposals for the Worknet WIOA Youth Program. Arbor E&T, LLC dba Equus Workforce Solutions (EWS) has proven to be a valuable partner since 2000, providing academic and career services such as tutoring, career guidance, leadership development, job readiness workshops, work experiences and retention services to the young adults in Urban Fresno County.

EWS has met and exceeded most of their performance objectives for WIOA Youth. The below table provides local performance results from July 01, 2020, to March 31, 2021.

Approve the funding allocation for the High Roads Construction Careers - Reimagining Workforce Preparation grant (HRCC-RWP) in the amount of \$2,010,607.81, awarded through the California Workforce Development Board (CWDB).

REASON FOR RECOMMENDATION:

The Fresno Regional Workforce Development Board, in partnership with the Fresno, Madera, Kings and Tulare County Building Trades Councils, was awarded a grant through the CWDB in the amount of \$2,010,607.81. The project is funded for 24 months and will serve Youth over the age of 18, Adults and Dislocated Workers that are interested in pursuing a career in the construction industry. The program focuses on those who face barriers to employment in the industry and in general, such as those who have been justice involved, are at-risk youth, women, and underrepresented minorities.

The first year of the project will provide services to participants residing in Fresno, Madera, Kings or Tulare Counties. During years two and three, additional trainings will be offered in the areas served by three (3) additional Building Trades Councils: San Joaquin, Calaveras, and Alpine counties; Stanislaus, Tuolumne, Mariposa, Merced Counties; and Kern, Inyo and Mono counties with training provided in the cities of Stockton, Modesto, and Bakersfield.

The project model includes six (6)-week State MC3 certified training for 225 participants, provided by the Building Trades Councils, and Construction Vocational English as a Second Language (VESL) and Construction Math for 300 participants to create a pathway to the six (6)-week training for individuals that do not yet meet math and reading standards for union employment. Participants will be co-enrolled into Workforce Innovation and Opportunity Act for job ready preparation, paid work experience, and job placement services. FRWDB staff is requesting that the Executive Committee approve the following funding allocations as outlined in the approved grant:

FRWDB – Program Oversight	\$286,663.61

SUBJECT: Workforce Innovation and Opportunity Act Contract Recapture of Funds for Program Year 2020 - 2021

RECOMMENDATION:

Approve the recapture of a portion of Providers’ Workforce Innovation and Opportunity Act (WIOA) Adult and Youth Program Year (PY) 2020-2021 contracted funds for carryover into PY 2021-2022.

REASON FOR RECOMMENDATION:

The WIOA Adult and Youth Programs Providers’ contractual expenditures are running lower than planned expenditures as of February 2021. Due to the reduction of expenditures and in an effort to allow carryover into PY 2021-2022, FRWDB staff recommends the following reductions to Providers’ PY 2020-2021 contracts in the amount of \$499,000 as follows:

Provider	Adult	Dislocated Worker	Total
Central Labor Council Partnership	\$0	\$58,000	\$58,000
Proteus Inc.	\$18,000	\$11,500	\$29,500
West Hills Community College	\$72,200	\$34,600	\$106,800
Total	\$90,200	\$104,100	\$194,300

Provider	In-School	Out of School	Total
Arbor - EQUUS	\$11,500	\$46,300	\$57,800
Arbor - EQUUS Youth Offender	\$2,500	\$14,500	\$17,000
Fresno Economic Opportunities Commission	\$11,500	\$46,300	\$57,800
Proteus Inc.	\$12,900	\$51,900	\$64,800
West Hills Community College	\$26,800	\$80,500	\$107,300
Total	\$65,200	\$239,500	\$304,700

The decrease in contractual expenditures is due to the combination of the COVID-19 pandemic, under performance of planned expenditure goals, and an estimated forecast of costs for the months of March 2021 through June 2021.

RECOMMENDATION:

Approve the Workforce Innovation and Opportunity Act (WIOA) Local Area Subsequent Designation and Local Board Recertification Application for Program Year 2021-2023.

The State of California Employment Development Department (EDD), acting under the authority of the Governor, released a directive on February 22, 2021, that established policies and procedures for the Subsequent Designation of the local area and Local Board Recertification. As outlined in the directive, the board must submit a completed application to request subsequent designation and local board recertification. A copy of the application has been attached for your review and approval.

To be approved the local area must meet the following criteria:

1. Be in compliance with WIOA board membership requirements,
2. Has met 80 percent of negotiated performance goals in Program Year 2018-2019 or PY 2019-2020,
3. Has sustained fiscal integrity, and
4. Has participated in and contributed to regional planning, regional plan implementation, and regional performance negotiations.

Applications were due to the EDD by March 31, 2021. As allowed in the directive, the completed application was submitted to the state by the due date pending required signatures, with the fully signed application due by June 30, 2021. The application is currently on the agenda for approval at the Fresno County Board of Supervisors and the City of Fresno. Upon final approval and signatures, the application will be submitted to the state prior to final submission deadline.

TO: Executive Committee
FROM: Cheryl Beierschmitt, Deputy Director of Fiscal Services
SUBJECT: February 2021 Financial Report

RECOMMENDATION:

Accept the Fresno Regional Workforce Development Board (FRWDB) February 2021 Financial Report.

REASON FOR RECOMMENDATION:

The attached summary financial report and charts display year-to-date financial information through February 28, 2021.

- Workforce Innovation and Opportunity Act (WIOA) Adult and Dislocated Worker: Expenditures are running lower than anticipated, primarily due to the unexpended reserved training funds for Program Year (PY) 2019–2020. These reserved training funds are to be expended by June 30, 2021. FRWDB staff is working with Providers to meet the 30% mandated training requirement. Staff is also working with Providers whose contracts are currently less than 60% expended, as of February 2021, to recapture a portion of their PY 2020-2021 contracted funds;
- Workforce Accelerator Fund 7.0: This grant received a six (6) month extension due to COVID-19 causing a delay in cohort training. The grant period is now May 1, 2019, through March 31, 2021. As of February 2021, it is 83% expended at \$123,820 of the \$150,000. FRWDB staff anticipates this contract to be 100% expended;
- COVID-19 Impacted Individuals: On December 18, 2020, the grant received a six (6) month extension to June 30, 2021, and an increase of \$21,000, bringing the total grant funding amount to \$336,000;
- High Road Construction Careers (HRCC) - SB1 Valley Build: This grant started in November 2020, with an amount of \$1,499,818 and a contract term of November 1, 2020 through August 31, 2022;
- Fatherhood Fire - HHS: This grant started September 30, 2020, with an original amount of \$749,999 and a contract term of September 30, 2020 through September 29, 2021, with a possible four (4) year option to 2025;
- Staff has no concerns with grant expenditures at this time

AGENDA ITEM:	8
MEETING DATE:	April 21, 2021
ACTION:	AUTHORIZE

2125 Kern Street, Suite 208 • Fresno, CA 93721 • (559) 490-7100 • Fax (559) 490-7199 • www.frwdb.net

TO: Executive Committee
FROM: Blake Konczal, Executive Director
SUBJECT: New Site Related Procurement Authorization

RECOMMENDATION:

- 1) Authorize the Executive Director to award the Winepress One-Stop Data Cabling Installation contract to the bidder recommended by the Rating Panel, based on most responsive and lowest cost. The total cost is not expected to exceed \$350,000.
- 2) Authorize any standing committee of the Fresno Regional Workforce Development Board (FRWDB), at a regular or special meeting, to review and approve any purchases greater than \$50,000 related to the relocation of the Winepress One-Stop facility.

REASON FOR RECOMMENDATION:

Currently, the Executive Director may approve any purchases up to \$50,000. Any purchases over that amount are required to be approved by the FRWDB.

The new Urban One-Stop location build-out and occupancy schedule is rapidly moving forward. The timeline and specifications are extremely fluid and as such may require quick turn-around on provision of furniture and equipment requiring installation. Many items have long lead times and will require quick review and approval.

In order to avoid multiple special Board or Executive Committee meetings over the next four (4) to six (6) months, and to be able to move rapidly to ensure occupancy of the new facility at the earliest possible date, FRWDB staff feel it is prudent to make this recommendation.

In the event the Data Cabling Installation bids exceed \$350,000, FRWDB staff will arrange for a special meeting to approve this contract.

FRWDB staff will report to the full Board, at a future regularly scheduled meeting, all approved procurements/contracts related to this relocation.

FISCAL IMPACT:

1. One-time increase of \$300,000 above the Executive Director's current approval limit, to \$350,000.
2. Any standing or ad-hoc committee to approve purchases over \$50,000 for relocation expenditures.

TO: Executive Committee
FROM: Blake Konczal, Executive Director
SUBJECT: Notification of Intent to Procure Furniture – One-Stop Relocations

INFORMATION:

With the impending build-out and relocation of the Urban Comprehensive One-Stop to the Winepress Center, the need to procure all new furniture is required. This relocation is tentatively expected to be completed in the September/October, 2021 timeframe.

Additionally, the Fresno Regional Workforce Development Board (FRWDB) is also looking at new Satellite One-Stop facilities in both eastern and western Fresno County service areas, in addition to the Business Service Center (BSC) over the next 12-36 months.

Due to the need for furniture to be interchangeable across the system and for One-Stops to look the same as to furniture types, construction and trim levels, the intent is to issue one (1) Request for Proposals (RFP) that will cover the initial need for the comprehensive One-Stop, and to allow for additional contracts to the approved contractor to provide the same furniture types at the Satellite One-Stops and the BSC.

FRWDB staff estimates that the cost of this RFP will be over \$3,000,000, with \$1,900,000 for the Urban Comprehensive One-Stop. The estimated budget summary by site is attached.

The new Urban One-Stop location build-out and occupancy schedule is rapidly moving forward. The timeline and specifications are extremely fluid and as such may require quick turn-around on provision of furniture and equipment requiring installation. Many items have long lead times and will require quick review and approval.

When the RFP process is completed, FRWDB staff will call for a special meeting of either the full Board or the Executive Committee to review the Bid Rating Panel's recommendation for contract award.

SUBJECT: Proposed Recommendation for Award – Program Year 2021-2022 Adult and Dislocated Worker Contracts

INFORMATION:

At its meeting on December 2, 2020, the Fresno Regional Workforce Development Board (FRWDB) approved the Scopes of Work for the Adult and Dislocated Worker Services Requests for Proposals (RFP). These RFPs outline changes to the current service delivery model, which included a standalone contract for the Title I One-Stop Operator and the award of a single contractor to provide Title I Adult career services and a single contractor to provide Dislocated Worker career services at the Urban, Rural East and West One-Stop locations in Fresno County.

FRWDB staff released two (2) separate RFPs for Adult and Dislocated Worker services on February 5, 2021. A mandated bidder's conference was held on February 10, 2021, and proposals were due on March 5, 2021. A total of three (3) proposals were submitted for each RFP by the mandated deadline. The proposals received for each RFP were submitted by the same three (3) organizations: Central Labor Council Partnership, Equus Workforce Services, and Proteus Inc.

All proposals met the criteria established for the Phase I review and were forwarded to the appropriate Rating Panel members. The Panels met on March 23, 2021, for the Adult proposals and March 24, 2021, for the Dislocated Worker proposals. The Rating Panels were facilitated by FRWDB staff, who also provided technical assistance to the raters.

All proposals met the minimum 70 points rating requirement for Phase II. As such, both procurement activities were deemed valid and competitive.

The Proposals Summary Rating Worksheets (attached) detailing scores awarded for each of the Adult and Dislocated Worker proposals were posted on the FRWDB website on March 26, 2021. The ranking for both the Adult and Dislocated Worker proposals were as follows: 1. Equus Workforce Services, 2. Central Labor Council Partnership and 3. Proteus, Inc.

In consultation with both proposal rating teams, FRWDB staff will be making the following award recommendations to the Adult Council at their next meeting on May 19, 2021:

- Adult Services – Equus Workforce Services
- Dislocated Worker Services – Central Labor Council Partnership

Upon approval of the Adult Council, the final award recommendations will be presented to the FRWDB for approval at the June 2, 2021, FRWDB meeting.
