OPERATIONAL DIRECTIVE

FRWDB OD # 02-19, Revision D

Date Released: August 9, 2022

To: All Fresno Regional Workforce Development Board Providers of Services

From: Blake Konczal, Executive Director

Effective Date: August 9, 2022

Subject: CalJOBSSM Funds Transfer Request Process

Applicable Program: All

Revision History: Initial Release – 2/28/19; Rev B - 08/22/19; Rev C – 8/18/21

The purpose of this Operational Directive (OD) is to provide instructions and definitions when there is a need to transfer funds between funding streams and/or pools.

This Revision D updates Form# FIS-013, CalJOBSSM Funds Transfer Request and updates terminology.

Definitions

- Funding Stream and Program Year – The Funding Stream is the highest level and holds no funds. Actual funds for each funding stream are assigned to a Program Year (PY), such as PY 2022-2023
- Office – Each office is assigned a budget to use for participants receiving funded activities that are assigned to that office.
 - Examples: Fresno Comprehensive AJCC or Urban South Youth
- Reserve – Reserves are created and allocated funds to ensure funds for specific activities are available. Fundable activities are grouped together in CalJOBSSM using service types.
 - Example: PS – Approved Provider Training – ITA.
 - Some reserves are named in a manner to clearly identify specific uses for that reserve, such as, PS – Work Experience (Adult Transitional Jobs) or PS –Work Experience (Youth).
 - Others such as Supportive Services, do not use reserves, use “NA”.

Process

When a Provider of Service identifies a need to transfer funds between their allocated budgets and reserves, the authorized manager is required to complete the form (FIS-013), and send the completed Excel form via email to PoolTransfer@wfc.co.

When the transfer is completed, the form will be e-mailed back to the requesting e-mail address with a cc to FRWDB program and fiscal management. It is important to note, that the beginning new balances on

the FRWDB staff page will only be completed if the particular “pool” changes. These balances are not available funds, rather, they are the budget before obligations.

The Form is used to request fund transfers between the various “pools” of funds on CalJOBSsm. Fund transfers may be initiated by Service Provider management or FRWDB management.

Completing the Form

- The form has two (2) sections; Requesting Staff and FRWDB Staff. Complete the Requesting Staff section.
- Complete the Requestor Name, Agency, Phone, Title, and E-mail.
- In the Description of Request text field describe the transfer being requested showing amounts, offices, and reserves.
- All of the fields in the Transferring Pools and Receiving Pools sections, except for the amount field, use drop down selections. Click in each field beginning with Funding Stream and then click on the arrow on the right side. This opens the selection choices. Click on the appropriate selection. Repeat this method for the Program Year, Office, and Reserve fields (if applicable).
- Type the amount in the Amount field.
- Complete both the Transferring and Receiving Pools sections.
- The form may only be completed by Service Provider program management.
- FRWDB Data Services staff will complete the FRWDB Staff section.

If you have any questions please contact the appropriate FRWDB Program Coordinator or Deputy Director of Information and General Services.
