OPERATIONAL DIRECTIVE

FRWIB OD # 06-16

Date Released: July 1, 2016

To: All Fresno Regional Workforce Development Board AJCC Partners and Service Providers

From: Blake Konczal, Executive Director

Effective Date: July 1, 2016

Subject: America's Job Centers of California (AJCC) Partner Referral Process

Applicable Program: All

Revision History: Initial Release

This Operational Directive (OD) replaces the referral process described in OD 35-05, Partner Co-Enrollment and Referral Process. This OD obsoletes Form REG-102, Universal Referral Checklist and adds updated referral forms.

Partners may be required to use their own Release of Information form, instead of the Universal Release of Information (Form REG-100) when making referrals to other Partners. Those Partners are required to identify the approved form to be used when referring clients from their organization.

Purpose

As mandated by the Workforce Innovation and Opportunity Act (WIOA), each Local Workforce Development Area (LWDA) is required to have a documented process for referrals between partner agencies, as defined by WIOA (mandated partners) and the local Board as AJCC partners (local one-stop partners).

The intent of a referral activity is to ensure that needed services for a client are provided through the most appropriate funding stream in the most efficient manner and are not duplicative. The client should have an experience that is as seamless as possible.

This OD describes, on page 2, the steps to be taken to facilitate a referral between any Partner agency, including any of Fresno County's WIOA-funded programs, and to track the outcome of those referrals.

Each partner is required to identify all departments that provide the services described in their individual Partner Memorandum of Understanding (MOU) with the Fresno Regional Workforce Development Board. Additionally, each partner and sub-contracted provider of service is required to identify a single point of contact (SPOC) for all referrals to their agency and their full contact information (telephone number and email address). The FRWDB Quality Systems Manager will be responsible for maintaining and disseminating this information.

PROCESS

Level I – Referrals to other partners or community services for perceived or stated needs of clients. Use Form REG-108. There will be no follow-up for Level I Referrals. Referrals will be counted and reported, when appropriate.

Level II – Direct referral between partners for specific services. Use Form # REG-109. Referring partner will fill out the form, contact the referred to agency single point of contact (SPOC) and make appointment for client if

appropriate. Referral to be scanned to referred agency and copy given to client. Review the referral with the client. Referring Partner will file the original referral form.

If any questions, please contact the FRWDB Program Manager.

III. **Cost Allocation Methodology.** The FRWDB and Partner agree that the AJCC Budget and Allocation Plan set forth in Attachments A and B, respectively, bears an equitable relationship to the benefits received by each at the comprehensive AJCC.

The Methodology will:

- a. Be consistent with federal laws authorizing each partner's program.
- b. Comply with federal cost principles in the Uniform Guidance.
- c. Include only costs that are allowable, reasonable, necessary, and allocable to each program partner.

Those partners who are co-located in the comprehensive AJCC, identified in Section II a, are mandated to share in the infrastructure costs of the comprehensive AJCC, to the extent allowed under their authorizing law.

Those partners co-located in the comprehensive AJCC, as identified in Section II b, are exempt from infrastructure cost sharing by the federal government. These partners are subject to other comprehensive AJCC services cost sharing and reporting.

Those partners not co-located in the comprehensive AJCC, as identified in Section II c, are not subject to sharing in the infrastructure costs until such time the State defines and communicates the process and methodology for assessing the benefit and or value to the non co-located partner.

The infrastructure costs shall be allocated as follows:

- a. Direct Charge: Costs that are incurred solely for the benefit of Partner shall be allocated to Partner.
- b. Square Footage Percentage at an AJCC Site: Partner shall be allocated the cost of providing and maintaining facilities at the site based upon the percentage of the number of square feet at the site Partner commits to use relative to the total space of the site.
- c. Communication Costs: Partner shall be allocated the communication costs at the site based upon the percentage of the number of devices at the site the Partner commits to use relative to the total devices at the site.

IV. **Partner-provided Career Services** For all partners (co-located and non co-located), other costs associated with providing Career Services to the AJCC system are described in Attachment C. Reporting of these services are further described in Section VI, Partner Resources.

V. **Other System Costs - Shared Costs.** FAWIC will pay to the appropriate vendors the shared non-infrastructure costs for the comprehensive AJCC. These payments will be considered the WIOA resources for payment of allocable costs to WIOA.

Exhibit A

All cash payments must be received by FAWIC no later than 45 calendar days after receipt of the invoice unless an alternative arrangement is agreed to in writing by FAWIC and the partner. A partner's failure to pay within a timely manner will be reported to the FRWDB Adult Council and may be subsequently submitted for dispute resolution as provided for in Section VII.
 - b. All partners (co-located and non-co-located) will provide estimated annual budgets that reflects their agency expenditures/contributions to provide Career Services to Fresno County residents. The Consolidated Career Services Budget is further described in Attachment C.

 - ii. Reviews of the consolidated report will be in accordance with Section VII.
- VII. **Periodic Review of Costs, Allocations and Contributions.** The FAWIC will provide quarterly reports to the partners showing the actual costs, allocations and contributions versus budget and/or plan. After the close of the second calendar quarter, FAWIC will convene an AJCC Partner Review meeting to determine if adjustments to budget and or allocations need to be made based on actual expenditures. If a modification is deemed appropriate, then this IFA amendment will be modified as agreed to by all partners.
- VIII. **Dispute Resolution.** Any dispute among or between the parties hereto shall be addressed by the FRWDB in accordance with WIOA and the appropriate Final Rules promulgated with respect thereto, as amended and applicable. Following a decision by FRWDB, the parties involved may appeal to the State of California following the applicable procedures. Pending final resolution of a dispute hereunder, the parties involved shall proceed diligently to perform their respective obligations under the Agreement in accordance with the FRWDB decision, unless the parties have given a notice of termination as provided for in Section IX.
- IX. **Termination.** Use of funds identified in this IFA as being available to pay the costs, charges, and fees set forth herein are contingent upon receipt of those funds by Partner. Partner may withdraw from this Agreement in the event that funding is either eliminated or reduced such that Partner can no longer pay the costs set forth above. Such withdrawal shall be effective with no less than a 30-day written notification to FAWIC that Partner lacks funding, or upon the vacating of the premises by Partner, if applicable, whichever is later.
