3. **Workforce Innovation and Opportunity Act Adult and Dislocated Worker Carryover Funding Recommendations for Program Year 2024-2025**

Phyllis Stogbauer, Senior Deputy Director, FRWDB, presented for the Council's recommendation to the FRWDB, the Adult and Dislocated Worker Workforce Innovation and Opportunity Act (WIOA) carryover funding recommendations for Program Year (PY) 2024-2025. Ms. Stogbauer reminded the Council that at its June 4, 2024, meeting, the FRWDB approved the Adult and Dislocated Worker WIOA funding recommendations that were prepared based on estimated funding allotments released by the State of California Employment Development Department (EDD). She explained that on June 6, 2024, the EDD released final WIOA allocations for PY 2024-2025, which increased the FRWDB's award by \$4,369, bringing the total allocation for Adult and Dislocated Worker funds to \$10,446,984.

Ms. Stogbauer reviewed the proposed budget revisions with the Council, as outlined in the agenda item, which included increases and decreases to various budget line items. She noted that Providers' contracts would not be impacted by the additional \$4,369, and that carryover to PY 2024-2025 was reduced to \$4,156,527. Director Olivares noted that the carryover was still a good amount.

OLIVARES/BRANCH – RECOMMENDED THAT THE FRWDB APPROVE THE WORKFORCE INNOVATION AND OPPORTUNITY ACT ADULT AND DISLOCATED WORKER CARRYOVER FUNDING RECOMMENDATIONS FOR PROGRAM YEAR 2024-2025. (UNANIMOUS)

4. **Local Performance Results Reports**

Ms. Stogbauer presented for the Council's recommendation to the FRWDB, the PY 2023-2024 Fourth Quarter (Q4) and PY 2024-2025 First Quarter (Q1) Adult and Dislocated Worker Program Providers of Services' Local Performance Results Reports. She noted that the Q4 Reports for numbers served showed Adult Rural East slightly lower than plan, and both Adult and Dislocated Worker Rural West lower than plan with Adult at 71% and Dislocated Worker at 78%. She noted that all other performance results for Q4 were at levels at or above performance requirements. Director Olivares noted that results for the rural areas are challenging. Ms. Stogbauer agreed and indicated that Ms. Espinosa, FRWDB Deputy Director of Marketing, Grants and Business Initiatives, had been working on strategies to bring more individuals to the rural sites. Ms. Stogbauer added that on the west side in particular, transportation, language and digital literacy barriers were a major part of the challenges in serving individuals.

Ms. Espinosa shared that billboards had been placed in the rural areas and that a contract was signed with La Buena to do more marketing in Spanish to reach those areas.

Director Olivares asked that the "Plan" and "Actual" legends on the Report be moved lower on the page, to make it easier to see. Ms. Stogbauer indicated that FRWDB staff would make that change.

OLIVARES/BRANCH – RECOMMENDED THAT THE FRWDB ACCEPT THE LOCAL PERFORMANCE RESULTS REPORTS. (UNANIMOUS)

5. **Providers of Services' Monitoring Report**

Rebecca Moncivais, Monitoring Manager, FRWDB, presented this item in Ms. Beierschmitt's absence.

She reviewed the Program and Fiscal Monitoring that were either completed or in process during Q1. There was a discussion by the Council regarding the Results column on the report, noting that "All Findings Closed" did not provide the Council with information about what was done to close the findings.

Ms. Stogbauer explained the process by which the Monitoring Unit prepared the Report. Mr. Konczal noted that the format on the Report could be changed, but that it was the same format that had been used for years. He then stated that at the next meeting, FRWDB staff would provide an overview of the process that is followed to generate the Report to help Councilmembers understand it better.

Director Olivares asked about one (1) of the customer comments about having a Zoom room available. Ms. Stogbauer stated that she was going to look into that comment as it was unique, and that FRWDB may want to consider making a Zoom room available for participants to use for job interviews. Director Olivares commended FRWDB Provider staff for their good work, noting that the comments from participants were very positive.
