She shared a video that highlighted stories from some of the program participants.

This was an information item.

4. **Workforce Innovation and Opportunity Act Youth Provider Allocations for the First Half of Program Year 2025-2026**

Mr. Konczal presented for the Council's recommendation for FRWDB approval, the Workforce Innovation and Opportunity Act (WIOA) Youth Provider allocations for the first half of PY 2025-2026. He shared that in March 2025, Congress passed a Continuing Resolution to extend current government funding through September 30, 2025. In preparing for a possible decrease in funding, FRWDB staff recommended a five percent (5%) reduction to allocations for the first six (6) months of PY 2025-2026, to create a small buffer for carryover once the final funding amounts for the PY were received, thereby lessening the impact on client services. There were no comments from the providers present at the meeting, nor any comments from the public.

MADDEN/TUTUNJIAN – RECOMMENDED THAT THE FRWDB APPROVE THE WIOA YOUTH PROVIDER ALLOCATIONS FOR THE FIRST HALF FOR PY 2025-2026. (UNANIMOUS, WITH RECUSAL NOTED ABOVE)

5. **Emergency Medical Services Contract Awards**

Beatriz Lopez, Interim Special Projects Manager, FRWDB, presented for the Council's recommendation for FRWDB approval, the allocation of \$1,270,000 of the State of California Employment Development Department's Emergency Medical Services (EMS) Corps grant funding.

The FRWDB will implement a program modeled after the Alameda EMS Corps and will train a minimum of 60 Fresno County youth through four (4) cohorts, each lasting five (5) months. The term of the grant is May 29, 2024, to January 31, 2027, and details of the allocations were included in the agenda item.

TUTUJIAN/ENGEL-SILVA – RECOMMENDED THAT THE FRWDB APPROVE THE EMERGENCY MEDICAL SERVICES CONTRACT AWARDS. (UNANIMOUS)

6. **Workforce Accelerator Fund Contract Awards**

Ms. Lopez presented for the Council's recommendation for FRWDB approval, the allocation of \$500,000 of the California Workforce Development Board Workforce Accelerator Fund 13 grant funding, for the term of May 1, 2025, to March 31, 2027.

Ms. Lopez shared that Valley Build Tribal and Veterans' Initiative aims to enhance union-based apprenticeship training for Tribal communities and veterans, building on over a decade of successful Multi-Craft Core Curriculum (MC3) training programs. By providing tailored outreach, holistic support services, and mentorship, this initiative seeks to address employment and equity gaps in the union construction sector, ultimately securing stable, well-paying careers for FRWDB participants. Details of the funding allocation was outlined in the agenda item. There were no questions from the Council.

MARTINDALE/TUTUNJIAN – RECOMMENDED THAT THE FRWDB APPROVE THE WORKFORCE ACCELERATOR FUND CONTRACT AWARDS. (UNANIMOUS)

7. Consent Items 7A-7C

Council Member Martindale pulled Consent Item 7C for discussion.

MADDEN/TUTUNJIAN – APPROVED CONSENT ITEMS 7A AND 7B. (UNANIMOUS)

Item 7C: Local Performance Results Report

Va Xiong, Program Manager, FRWDB, presented the Third Quarter PY 2024-2025 Youth Program Providers of Services Local Performance Results Report for recommendation for FRWDB approval. She reviewed the report with the Council. Council Member Martindale asked what was being done to address the challenges of the Rural West area continuing to be under-served. Nuvia Varela from America Works was in the audience and shared that when America Works became the provider for Rural West, there were 20 individuals being served. Since becoming the provider, the number served had increased and there were in-school youth (ISY) on a waiting list to enter the program; however, because 25% of the funds were to be spent on ISY and 75% on out of school youth (OSY), the challenge was meeting the OSY goals in order to enroll those ISY on the waiting list.

Council Member Martindale asked what efforts were being made to reach OSY youth. Ms. Espinosa indicated that the FRWDB has supported marketing and outreach efforts on the west side by hosting job fairs, sending out flyers to west side residents and posting flyers in local businesses, performing Geofencing, running billboard campaigns, working with Channel 26 in doing targeted ads in English and Spanish, and working with LaBuena for radio ads. FRWDB has also connected with the local Mayors in the rural west.

Chair Sotiropulos acknowledged the improvement in numbers served on the west side and noted that the FRWDB wants to make 100% of the goal for numbers served. Council Member Martindale suggested speaking to the ISY for ideas on how to reach OSY and also working with neighborhood resource centers in the rural west.

TUTUNJIAN/MARTINDALE – APPROVED CONSENT ITEM 7C. (UNANIMOUS)

8. Youth Demographics Report

Ms. Stogbauer presented the Third Quarter PY 2024-2025 Youth Demographics Reports for the Council's review. She noted that there was very little change from the previous quarter's reports. There were no questions from the Council.

TO: Youth Council
FROM: Maricela Diaz, Young Adult Services Manager
SUBJECT: Student Training and Employment Program Year Three Contract Award

RECOMMENDATION:

Recommend that the Fresno Regional Workforce Development Board (FRWDB) approve \$556,350.71 in award allocations from the California Department of Rehabilitation and the Foundation for California Community Colleges' (Foundation) Student Training and Employment Program (STEP) grant for the third-year funding period of January 1, 2026, through December 31, 2026, as outlined below.

REASON FOR RECOMMENDATION:

The FRWDB STEP program aims to strengthen partnerships with key stakeholders in the region who support students with disabilities (SWDs) by maintaining open referral pathways and improving access to services. The program will provide work experience, job preparation training, job exploration and postsecondary counseling, and self-advocacy training for SWDs.

Participants in the program will benefit from a comprehensive support system designed not only to prepare them for the workforce but also to empower them to advocate for their personal and professional goals. This approach ensures that SWDs receive the guidance and resources necessary to succeed in their chosen career paths.

FRWDB staff recommends approval of the following funding allocations for the third-year period:

FRWDB Operational/Program Oversight	\$ 88,042.54
America Works of California	\$305,752.33
Participant Work Experience Pool – Career Catalyst	\$165,180.60
Participant Stipends	\$ 12,000.00
Onboarding – Career Catalyst	<u>\$ 40,353.95</u>

FROM: Phyllis Stogbauer, Senior Deputy Director

SUBJECT: Youth Work Experience Expenditure Report

RECOMMENDATION:

Recommend that the Fresno Regional Workforce Development Board (FRWDB) accept the Workforce Innovation and Opportunity Act (WIOA) Youth Participant Work Experience Report for the period of July 1, 2024, through June 30, 2025.

REASON FOR RECOMMENDATION:

WIOA places a priority on providing youth with occupational learning opportunities through Work Experience activities, which include paid work experience, pre-apprenticeship programs, job shadowing, and on-the-job training. Beginning July 1, 2015, local boards were required to implement Work Experience provisions, including a mandated minimum expenditure requirement of 20% of the total youth allocation.

WIOA formula funding operates on a two (2)-year life cycle. Local areas are required to fully expend the mandated Work Experience funds by June 30 of the second Program Year.

The total Work Experience funds allocated for PY 2023–2024 were \$1,064,204 and were required to be fully expended by June 30, 2025.

The following summarizes total Work Experience expenditures as of June 30, 2025:

- In-School Youth: \$193,813
- Out-of-School Youth: \$575,515
- Leveraged Funds: \$489,592

Total Work Experience expenditure amounted to \$1,258,920, exceeding the 20% minimum expenditure requirement mandated by WIOA for the two (2) -year allocation period by 18.3%.

FISCAL IMPACT:

There is no fiscal impact associated with this action. Work Experience expenditures exceeded the 20% allocation requirement for PY 2023–2025 and are consistent with federal and state funding requirements.

SUBJECT: Young Adult Satisfaction Report

RECOMMENDATION:

Recommend that the Fresno Regional Workforce Development Board (FRWDB) accept the Young Adult Program Satisfaction Report for the First Quarter of PY 2025-2026.

REASON FOR RECOMMENDATION:

The Fresno Regional Workforce Development Board (FRWDB) Joint Powers Agreement states, in part, that FRWDB staff shall fulfill administrative responsibilities as set forth in the Workforce Innovation and Opportunity Act (WIOA). These responsibilities include administering programs as described in the WIOA, developing budget plans, and carrying out additional administrative duties such as assessing performance and evaluating the benefit, productivity, and impact of all programs funded under the WIOA, as amended or superseded. FRWDB staff are also responsible for submitting progress reports to the appropriate governing bodies.

As part of these responsibilities, FRWDB staff have implemented the Youth Program Satisfaction process and data collection system. Subcontracted service providers submit youth satisfaction data to FRWDB staff on a monthly basis. The data is then aggregated, analyzed, and reviewed quarterly, and the findings are presented to this Council for review.

To further strengthen this process, FRWDB staff have introduced a new electronic satisfaction survey to enhance data accuracy, accessibility, and response rates among youth participants. The transition to this digital format will streamline data collection and enable more timely and comprehensive analysis of participant feedback.

The First Quarter Young Adult Satisfaction Survey Report for PY 2025–2026 is attached for your review.

In conjunction with the transition to the electronic format, FRWDB staff have developed a new report format designed to present satisfaction data and trends more clearly. The report in the revised format is also attached for your review and approval.

FRWDB staff continue to collaborate with service providers to improve processes that enhance youth participant satisfaction. These improvements are based on data collected through satisfaction surveys, monitoring reviews, complaints, and monthly operations meetings between providers and FRWDB staff.
