Accept the Job Seeker Customer Satisfaction Reports for the Third Quarter of Program Year (PY) 2024-2025.

The Adult Council approved this recommendation on May 22, 2025.

## **REASON FOR RECOMMENDATION:**

The Fresno Regional Workforce Development Board (FRWDB) Joint Powers Agreement states, in part, that FRWDB staff shall fulfill administrative responsibilities as set forth in the Workforce Innovation and Opportunity Act (WIOA), including the administering of programs as described in the WIOA, as well as developing budget plans. Everyone is amazing. Great Services, just come here knowing what you want to do and give it your best shot, and you got! I really enjoyed the respect of the workers' staff, very helpful to me and very understanding. Great staff, very helpful and hands-on. Very clean and organized. Hire more people so appointments don't take months. Staff was friendly and courteous. The two young ladies who helped me were outstanding! Very knowledgeable and patient. Workforce is a very helpful place; they helped me look for services and get into training. I would recommend Workforce Connection to friends and family. All the resources and help available are literal life savers.

### Participant Feedback:

**Placement Services:** The staff was very helpful due to the fact that I was having trouble with my resume and job search process. People were very helpful and motivating. Helpful and provided hope in such a time when it feels like no one is there to help. The staff is very helpful they show that they really care about us. CalJOBS website is difficult to use, job search has to reload each time after applying for a job. I thought I was going to be a hard process, but it was actually pretty easy and quick. Thank you. I feel good about my future.

**Training Services:** Did not obtain employment in the training field, job referrals did not meet expectations, would not recommend to others. I appreciate everything Workforce has to offer. I was lucky to receive a scholarship and found a job as soon as I received my Class A license. I am glad I came to Workforce, I received a scholarship and found a really good job, thank you for the support. I would not be in my dream job if not for Workforce Connection. Obtained full time employment field not related to training. Job referrals did not reflect my career goal. Job leads did not reflect the skill level.

**TO:** Fresno Regional Workforce Development Board

**FROM:** Youth Council

**SUBJECT:** Workforce Innovation and Opportunity Act Youth Provider Allocations for the First Half of Program Year 2025-2026

## **RECOMMENDATION:**

Approve Workforce Innovation and Opportunity Act (WIOA) Youth Provider allocations for the first half (July 2025 through December 2025) of Program Year (PY) 2025-2026 as outlined below.

The Youth Council approved this recommendation on May 15, 2025.

## **REASON FOR RECOMMENDATION:**

On May 2, 2025, the White House released recommendations on federal discretionary funding levels for Fiscal Year 2026. The Make America Skilled Again (MASA) Grant Consolidation saw a funding reduction to the US Department of Labor in the amount of \$1,640,000,000.

On March 14, 2025, Congress passed a continuing resolution to extend current government funding through September 30, 2025. WIOA allotments for PY 2025-2026 are projected to be released after the start of the plan year.

In response to the anticipated reduction in funding and deferred funding notice, Fresno Regional Workforce Development Board (FRWDB) staff propose the following changes and allocations for the first half of PY 2025-2026:

- Five percent (5%) reduction from prior PY 2024-2025 Youth Provider allocations
- Non-renewal of Incarcerated Youth Program

	Youth Provider Allocation 2024-2025	Estimated Youth Provider Allocation 2025-2026	Decrease	% Change	July through December 2025 Youth Provider Allocation	July through December 2025 Youth Decrease
Equus – Incarcerated Youth	\$ 278,528	\$ 0	(\$278,528)	100%	---	---
Equus – Urban West	\$ 891,800	\$ 847,210	(\$ 44,590)	5%	\$ 423,605	(\$22,295)
Fresno EOC – Urban East	\$ 891,800	\$ 847,210	(\$ 44,590)	5%	\$ 423,605	(\$22,295)
Proteus – Rural East	\$ 441,982	\$ 419,883	(\$ 22,099)	5%	\$ 209,942	(\$11,050)
America Works– Rural West	\$ 433,160	\$ 411,502	(\$ 21,658)	5%	\$ 205,751	(\$10,829)
Totals	\$2,937,270	\$2,525,805	(\$411,465)		\$1,262,903	(\$66,469)

Once the actual PY 2025-2026 WIOA Youth funding allocations from the State of California Employment Development Department have been received and FRWDB staff has completed the reconciliation of the PY 2024-2025 carryover, FRWDB staff will bring the revised funding recommendations to the November 20, 2025, Youth Council meeting for their review and recommendation to the FRWDB, for their approval on December 3, 2025.

**FISCAL IMPACT:**

Approval of this item will allocate \$1,262,903 of WIOA Youth funds to FRWDB Youth Providers for the first half (Quarters 1 and 2) of PY 2025-2026.

## **RECOMMENDATION:**

The Youth Council approved this recommendation on May 15, 2025.

## **REASON FOR RECOMMENDATION:**

With this award, Fresno Regional Workforce Development Board (FRWDB) will implement a program modeled after the Alameda EMS Corps, providing training for young people who have been historically underrepresented in allied health careers. The program will focus on individuals facing barriers such as unemployment, housing instability, economic insecurity, and involvement in the justice system, preparing them for careers in EMS. Participants will receive comprehensive support, including training, wraparound services, bi-weekly case management, group and one-on-one counseling, job readiness preparation, and post-program job placement.

I am so grateful for these services. I have never had anyone walk with me step by step with me to get a job before. Helped me a lot with job referrals and encouraged me not to give up on job searching. Need to have more computer space. I appreciate the training and at first I could not believe that the training would be paid for, and my parents did not have to pay for me. Workforce is a great place to start when you have no work history. I appreciate the encouragement to push me towards school. It's nice to know that I will continue to receive support after exit. I really appreciated the work experience. I have a Medical Assistant Certificate and all I needed was the hands on experience.
